SUBJECT: KENNEDY MEMORIAL LIBRARY
NAME CHECK REQUEST

Attached is a memorandum received from Frederick G. Dutton, Assistant Secretary of State, listing additional names of persons conducting interviews for the Oral History Project for the Kennedy Memorial Library on which name check requests are being requested.

There are 43 names on the attached list. Of these, however, five are duplicates from the first list submitted. In addition, when the first list was submitted to us through Deputy Attorney General Katzenbach, he eliminated from the first list persons presently employed by the Federal Government on the basis that name checks of these were unnecessary. There are 22 Government employees on the attached list. The remaining 16 are newspapermen, attorneys and local government officials.

We have taken no action to conduct the name checks originally requested by State through Deputy Attorney General Katzenbach. Similarly, no action is being taken in connection with the attached request although we may receive a follow up from the State Department. 62-109359-1
